AREA YOU'LL LOVE.

Timber Decking

GROOVED & REEDED REVERSIBLE BOARD

Whether you're building a brand-new deck, extending an existing area, or replacing tired, worn boards, our pressure-treated timber decking is built to last.

Designed with durability and slip resistance in mind, it provides a safe, sturdy surface while maintaining a natural timber finish that complements any style of garden.

Decking is more than just a practical addition — it's the foundation of your outdoor lifestyle. Create a seamless transition from your home into the garden with a stylish seating area, perfect for summer barbecues, family gatherings or simply relaxing in the sun.

For those looking to make the most of their outdoor space all year round, timber decking pairs perfectly with features such as outdoor lighting, fire pits and covered areas, helping you create a warm, inviting atmosphere whatever the season.

It's also an ideal base for hot tubs, outdoor dining sets or garden rooms, turning your garden into a true extension of your home.

Sleepers

Our high-quality garden sleepers are ideal for landscaping projects of all sizes, from raised beds and retaining walls to edging, steps and garden features.
